

WRANGEL'S FORCES GATHER TO STRIKE BOLSHEVIK ARMY

He Declares Civil War Would
End If Russians Were Free
to Form Government.

SEBASTOPOL, Crimea, Aug. 25 (Associated Press).—Civil war in Russia would cease immediately if the Russian people were free to organize a Government according to their own wishes. Gen. Baron Wrangel, who was recognized as head of the South Russian Government by France a few days ago, declared here to-day. They are not able to do this at present, however, because of the domination of the Soviet leaders, and the fight must go on until Russians are free to take matters in their own hands, he continued.

Gen. Wrangel expressed the gratification he felt over the note sent to Italy by the United States Government relative to the Russian situation, and declared recognition of the South Russian Government by France was the "just expression of one ally's appreciation of another's sacrifice in the common cause." He leaves to-morrow to direct personally the organization of forces falling

after capturing Bialystok, are advancing on Grodno.

In eastern Galicia the Soviet forces are retreating on the whole front in order to avoid a flank attack which is threatening them from the North. The French General Lanesan is taking command on the Polish southern front.

The question of isolating the Russo-Polish peace negotiations has shifted from Minsk to some other city has been under the Government's consideration. What action is necessary, owing to the difficulties in communicating with Minsk, has occupied the various officials for several days,

GERMANS SWAMPED BY RED FUGITIVES

Estimated That 60,000 Soviet
Troops Already Have En-
tered Germany.

BERLIN, Aug. 25 (Associated Press).—Official quarters here are gravely concerned over conditions on the East Prussian frontier, along the Russian line of retreat. It was estimated to-night that the number of Russian Soviet soldiers who have already entered Germany exceeded 60,000. Fifteen thousand crossed in the Johannesburg sector and their number constantly is increasing.

The border patrols are wholly incapable of systematically disarming and controlling the fugitives, who willingly surrender their arms and then calmly proceed to enter East Prussia and beg food and shelter of the natives.

Monroe Two Pants Suits at

\$40.

Really Mean Two Suits for the Price of One

THE new Fall Two Pants Monroe Suits at \$40 have taken a hold right off the bat—and no wonder!

Just take up your pencil and follow us. Ordinarily the trousers of your suit wear out long before the coat; you discard the coat and buy a new suit, though the coat still is in splendid condition.

Now we are selling a Monroe all wool, silk sewn suit, with two pairs of trousers, for \$40. We give you a third more clothing quantity, but, better still, double the wear. For the two pairs of pants will serve as long as the coat—and the whole as long as two ordinary suits.

And, by alternating the trousers (wearing one pair while having the other pressed), you can have all the neatness and smartness in dress that come with owning two suits—and save from \$40 to \$50 by doing it.

We could point out to you a hundred advantages in these Monroe special two trouser suits—but the savings in them alone should convince any right thinking man that he should own one of these suits. They have all the new Fall style features, and a lot more. And, remember, they cost but \$40.

Elsewhere you'll pay more than \$40 for the same high grade suit, and get but one pair of trousers, at that.
